

Program Overview (as of October 14, 2015)

Wednesday December 2, 2015			Thursday December 3, 2015			Friday December 4, 2015					
ROOM: Sapphire C	ROOM: Zeus	ROOM: Artemis	ROOM: Sapphire C	ROOM: Zeus	ROOM: Artemis	ROOM: Sapphire C	ROOM: Zeus	ROOM: Artemis			
			Industry Day								
08:30 am ... Registration											
09:00 am ... Opening Session			Plenary Session: Building Bridges for a Sustainable and Competitive Energy Future			Solar Thermal Collectors	Urban Planning	Task 48 Workshop: Solar Cooling	Thermal Storage		
09:30 am ...			Company Presentations								
09:45 am ...											
10:15 am ... Keynotes on IEA SHC Tasks											
10:45 am ...			Coffee Break								
11:00 am ... Keynote Lectures											
11:15 am ...			Coffee Break								
11:30 am ...			Solar Heating & Cooling in the Future Home	Solar Thermal Collectors	Thermal Storage	Solar Space Heating	Task 42 Workshop: Solar Thermal Storage	Performance Measure- ment			
11:45 am ...			Building In- tegration and Renovation	Market Report	District Heating						
12:30 pm ...			Lunch								
01:00 pm ...			Lunch								
01:30 pm ...			Poster Session	ESTIF General Assembly (for ESTIF members only)		MENA Region: Market Development and Opportu- nities	Poster Session		Lunch		
02:30 pm ...			Solar Thermal collectors	Task 49 Workshop: Solar Pro- cess Heat		Solar Heat for Industrial Processes	Solar Cooling	Solar Architecture and Innovative Components	Solar Resource Manage- ment	Performance Measure- ment	
03:15 pm ...						Coffee Break					
03:45 pm ...						Global & Regional Certification	Solar Heat for Industri- al Processes	Solar Cooling			
04:00 pm ...			Coffee Break						Closing Ceremony		
04:30 pm ...											
05:00 pm ...			Thermal Storage	Task 45 Workshop: Solar Dis- trict Heating	ESTIF General Assembly (for ESTIF members only)	Plenary Session: Drivers of Solar Heating and Cooling Success in Main World Markets					
06:00 pm ...											
07:00 pm ...											
			Conference Dinner with SHC Solar Award Ceremony
